

Orange City Equipment is expanding our services. We now offer a welding service to our customers. We are well known in Volusia County as one of the area's best Lawn Mower shops, and we want everyone to know we do much more. We have two experienced welders on our staff. So, if you have a welding project – whether it is a Mower, Trailer, table, chair, etc. – we invite you to bring it in. We would love to help you. Also, if you are not able to bring your welding project to us – we do offer on site repair.

Stop by or call us at 386-775-1200.
