

Established in 2001, Orange City Equipment is celebrating 11 years of service in Orange City and the surrounding Volusia County community. We have grown by word of mouth and developed a large following of customers.

On behalf of owner Christene Houseman and everyone at Orange City Equipment, we would like to take a moment to thank our many loyal customers for their continued support. We are dedicated to providing you with superior quality products and service at a more affordable price.

Whether you're shopping for a new or used lawn mower, need service and repairs done, or looking for a special part – we invite you to stop by or call us anytime you have a need or question. See why many longtime area residents and professionals use us. We sell the best quality products at a sensible price and do first-class, quality work.

At Orange City Equipment, we believe in giving back to the community in whatever we can. We provide special discounts to local Law Enforcement organizations as well as United States Military personnel.
